

Frog Songs

Baby frogs song Sing the song to the tune “Mary had a little lamb”.

Tadpoles are little baby frogs, baby frogs, baby frogs.
tadpoles are little baby frogs
They can swim like fish.
tadpoles grow four legs, four legs, four legs. Tadpoles grow four legs. They can hop,
hop, hop.

Listen TO The Frog To the tune of “Do you hear what I hear”)

Listen to the frog, croaking on a log. It sounds so clear, for us to hear- Rivet, rivet, rivet.
Jump went the frog, and down went the log.

The Frog and I (poem)

The frog and I, the frog and I can sing and hop but cannot fly.
We both can dive, we both can swim (although I can't compete with him).
We both have skin that's on to stay, but mine's not green I'm glad to say.
