

Magnuson Nature Scavenger Hunt

Try to find as many of these as you can, and check them off the list.

STAY ON THE GRAVEL PATHS WHILE YOU LOOK.

You can also add notes on the list describing exactly what you found.

	a flying insect		a crawling insect
	a leaf that is not green		a seed
	a bird		a blue berry
	a hole that an insect made		a red berry
	a plant with fuzzy leaves or flowers		a white berry
	a plant with thorny stems or leaves		a shade tree
	a leaf bud or flower bud		moss
	a fruit		a tall, thin plant
	animal tracks		a low, wide plant
	a bee		something that is decaying
	a puddle		something that smells good
