"I'm a Little Red Worm" (sung to the tune of I'm a Little Teapot)

I'm a little red worm, tickly and wet,
I have 10 hearts but only one head,
I love to eat banana peels and apple cores,
I sleep in a pile of leaves but I don't snore!

Activities:

1. Go on a "soil critters" hunt to see how many of these you can find!
2. See if you can match the name with the "soil critter"!

Roly Poly (Pill Bug)
